[Despatch Abstract.]

Accounts - Harpanahalli Taluk Board - Overdrawal on the Treasury - Not necessary.

original sent to Lawr (Edn)

Copy of letter from the President, Taluk Board, Harpanahalli, Ref.T.R.No.341/24, dated the 13/5/1924.

I have the honour to submit that the Taluk Board has a deficit balance of Rs.1753-2-7 in the sub treasuries at Harpanahalli and Hadagalli on 31/3/24 and consequently the Talu. Board cheques have not been honored from 1/4/1924. As the result of this, the establishment bills have not been passed for March and April 1924. They are clamoring for pay. The only important sources of income to the Taluk Board are "Land cess" and "Educational grants for maintenance of Elementary schools", Contribution of about Rs.750/- is being adjusted every month to the credit of the Taluk Board towards Land cess. The amounts to be adjusted for nearly three months would be just sufficient to cover up the deficits. No orders have as yet been received on the Elementary education budget of the Board for the year 1924-25. I am not aware of any other sources of income adequate to meet our monthly recurring demands.

2. In his letter No.R.O.P 9-B-3/25-24 dated 26/2/24, returning for revision the elementary education budget of this ~~Tam~~ Taluk Board for 24-25, the Director of Public Instruction, Madras has promised a contribution of Rs.16647/- from special subsidies towards education. A reply has been furnished in this office No.Dis.150/. 12/5/1922. It may take some time before orders can be passed on the budget so that arrangement may be made to the adjustment of these grants to the Taluk Board in order to pay off the arrears of salaries of establishments, which is already pending for a long time. As the establishments have been inconvenienced a good deal for want of pay, I have the honour to request that you will be so good as to treat the case of this Taluk Board as a special one and order at an early date [redacted]

the adjustment to the credit of this Taluk Board of a portion of the Educational grant viz.,Rs.10,000 pending issue of orders in the elementary education budget, in consultation with the Director of Public Instruction if necessary.

The matter may kindly be treated as emergent and kind orders issued early.

Under G.O No 1121 Law (Edn) dated 10-7-1924, an educational subsidy of Rs 5,384 equivalent to four monthly instal-ments would have been adjusted to the credit of the TK Bd recently. There is therefore no necessity for the TK Bd to overdraw on the Treasury.

Subject Overdrawal - Harpanahalli TkBd

Copy at 1f 1-2 CF

In his letter No 341 dated 13-5-24, the P. T. B Harpanahalli stated that the cheques of the Tk Bd were not honoured in the Treasury for want of credit from 1-4-24 and that the pay of the board's establishments was not paid from that date. He requested that a portion (Rs 10,000) of the subsidies due to the Bd for Elementary Education for the current year may be paid to it in advance. The letter was forwarded to the Law (Edn) deptt recommending the sanction of an advance grant. That deptt stated on 12-6-24 that orders would issue shortly for the disbursement in monthly instal-ments of the subsidies due to local bodies towards Ele Edn for the current year and that an advance grant cannot be sanctioned. Orders have however not yet issued in that deptt for the dis-bursement of the subsidies and it is understood that it will take some more time for the issue

of the order. Meanwhile the Board's administration will suffer seriously if sufficient funds are not placed at its credit immediately

2. The P. T. B reports that the D. P. I promised a grant of Rs 16,647 to the TK Bd in the current year for Ele Edn. The five monthly instalments of the subsidy payable to the Bd in the current year upto 15-8-1924 is Rs 6,935. Pending the adjustment of the subsidy, the Bd may be permitted to overdraw on the Treasury upto a limit of Rs 7,000. The amount overdrawn may be recovered from the subsidy ~~which~~ for Ele Edn which will be adjusted to it in a month or two. A draft order is submitted for approval. It may be sent to finance for acceptance.

RK

Has not this TK Bd been permitted already to overdraw on the Treasury?

The delay in the adjustment of grants for Ele Edn is causing considerable inconvenience to local bodies. We must ask Govt to issue orders shortly & let us know when they will be issued.

The TK Bd has not been permitted to overdraw on the Treasury in the current year. It is understood since from Law (Edn) that the ~~that~~ order for the disbursement of the educational subsidies has been sent to the Press and that it will issue in a few days. In that G.O the monthly instalment of the educational subsidies due to this TK Bd has been fixed at Rs 1,346. A grant of Rs 5,384 equivalent to four monthly instalments will be paid to the TK Bd forthwith. No overdraw on the treasury will then be necessary. The Pt may be informed accordingly and his attention invited to the Law (Edn) G.O referred to above as soon as it issues.

RK
15-7-24.

Law (Edn) may see this case. If the order regarding the appointment of Pandit Libraries for Ely Edn will issue in a few days, it will be unnecessary to grant overdraw. If there is likely to be any delay in the issue of the order, it would be necessary to permit overdraw.
